*October 10<sup>th</sup> 2014, 4pm*

## **AGENDA**

### **I. Roll Call**

### **II. Review Goal- gather feedback**

- What does this goal mean?
- Who might be positively/negatively affected if we accomplished this goal?
- Who might be involved with accomplishing this goal- are there key players we should reach out to?
- How might they accomplish it?
- Where are we in relation to this goal today?
- What might our school look like in 5 years if we were successful- what are some measurable outcomes we could observe?
- What are the biggest road blocks to accomplishing this goal?
- Any other recommendations

### **III. Next Steps**
