Sibling(s) at Discovery	and teacher(s) name:

Aim high! Please ask your grandparents, aunts/uncles, friends, and neighbors if they could make a minimum \$10 FLAT donation to Discovery 2's "Laps for Learning". If each student collects \$10 from at least ten people, Discovery could potentially bring in more than \$36,000! Any amount will be greatly appreciated and our per-student goal is \$100 in donations. The money being raised is to help pay for THIS YEAR's field trips. If we surpass our fundraising goal students will be benefitting next year's field trips as well. We are looking for 100% student participation.

(Note: We are encouraging FLAT donations instead of per-lap-pledges so that students can collect the money up front. This eliminates the days/time needed to go back and collect per-lap fees.)

<u>Sample script</u>: Hi! My name is <u>and I'm a</u> grader at Discovery Charter School 2. We are having our annual fundraising event, Laps for Learning, on Wednesday November 5th. We will be walking/running laps to raise money for field trips and other programs. Would you like to donate \$10 to help our school? (Show them this sponsor sheet and have them fill in their info. <u>Be sure to collect money at this time</u>.) Thank you for helping!
